

Your work is good. The materials should say so.

I build small-business websites, and design the flyers, menus and social graphics that go with them. Flat price agreed before I start, first draft in two to four days, and every file is yours at the end.

One-page website	\$395
Flyers, menus & price lists	from \$60
Facebook & Google setup	\$225
Monthly website care	\$95/mo

What things cost, before you ask.

Every job is quoted as one flat price agreed in writing before I start. Half up front to hold the slot, half on delivery. Two rounds of revisions are included unless the package says otherwise.
